Notification #: <V2020_1211 >

EOL Title: EOL Notification for Iontophor II Iontophoretic Stimulator

End of Life (EOL Notification Date): <12/11/20>

Dear Customer,

Effective immediately, WR Medical is announcing the manufacture discontinue and End of Life (EoL) of the following product:

- 6111 Iontophor II – PM/DX Iontophoretic Stimulator

The last day to order the affected product is <02/26/21>.

- Table 1 describes the End of Life milestones, definitions, and dates.
- Table 2 lists the product part numbers affected by this notification and the suggested replacement product part numbers.

Reason for Termination:

- The Iontophor II used older generation technology, components, and elements which do not stand up to modern standards for medical equipment. Additionally, several components are obsolete and unable to be obtained in quantity.

Replacement Product:

- WR Medical has replacement of the new Ionto4 4-channel Iontophoretic Stimulator.

For more information, please contact WR Medical Sales or your local dealer representative.

Regards,

WR Medical Electronics Co.
