Organizers:

Sachin Paranjape, MSCI, is a research assistant at Vanderbilt University Medical Center. He has over 30 years of experience performing autonomic reflex testing.

Glen Cook, MD, FAAN, is the Director of the Autonomic Disorders Clinic at Walter Reed National Military Medical Center.

This webinar is being provided as a free educational offering by the members of the Education Committee of the American Autonomic Society. It does not reflect the opinions or policy of the Society, the United States Government or any of its departments or branches, or of Vanderbilt University. The opinions expressed will be those of the presenters based on their professional experience.
